

AUTOMATIC POWDER FIRE EXTINGUISHERS

Automatic powder fire extinguishers are designed for enclosed spaces such as engine and plant rooms and are available in a choice of sizes.

Containing ABC powder dry power extinguishant which covers most fires involving wood/paper, flammable liquid and electrical fires. The heat-sensitive glass bulb bursts when the temperature rises to 68°C.

- Designed for use in enclosed areas i.e. engine/plant rooms, switch rooms etc.
- Round ceiling-mounted and slimline wall-mounted options available
- Round ceiling-mounted available in 1kg, 2kg, 6kg, 10kg and 12kg sizes
- Slimline wall-mounted available in 1kg and 2kg sizes
- Fitted with pressure gauge for easy routine checking
- Fixing brackets included
- Supplied with 68°C temperature bulb
- 2-year guarantee
